3. [] - JGO) [] IC, and [] met with Ralph Preston, House Appropriations Committee staff, and reviewed with him Committee requirements for presentation of the intelligence community budget. See [] Memorandum for the Record.

I discussed with Preston the proposal for the return of the liquidation fund for the Radios to the Treasury. This proposal meets with his wholehearted approval.

The pace of Committee hearings has increased to a point where Preston does not feel he will be able to visit the Agency for briefing on the CIA budget until around Easter. Charles Briggs, OPPB, has been advised.

I also briefed Preston on the GSA press release this afternoon on the awarding of the contract for the Agency garage.
